LAND ACKNOWLEDGMENT

Harvest Music Festival welcomes you to this vibrant and peaceful city on the banks of the Wolastoq, the Beautiful and Bountiful River.

We acknowledge that the land on which we gather every September to listen to music, share stories, renew friendships and make new ones, is the traditional Homeland of Wolastoqiyik - Peoples of the Beautiful and Bountiful River. The bounty of this river sustained Wolastoqiyik for millennia. The river remains at the heart of Wolastoqey culture and language. We recognize this land as the unsundered Homeland of Wolastoqiyik, whose ancestors signed peace and friendship treaties with the British crown in the 1700s.

This Festival is hosted at Eqpahak (EK-PAH-HAK) (where the tide ends), presently called Fredericton and the surrounding area. As a community arts organization, Harvest acknowledges the rich music, art, language, and cultural contributions of the Wolastoqey people. We celebrate and share these gifts in a spirit of collaboration, appreciation, and reconciliation. We strive for respectful relationships with all who have gathered here. Now, in this beautiful place, on this beautiful river, we seek collective healing and guidance within the bonds of friendship and respect.

KULASIHKULPA: A WOLASTOQEY WELCOME

SEPT 16 | 5:00PM-6:00PM | FREE EVENT | ALL AGES

Join us at the TD Main Stage on Wednesday for Kulasihkulpa! We are honoured to celebrate the opening of the Harvest Music Festival along the shores of the Wolastoq, the Beautiful and Bountiful River. There will be performances from The Muskrat Singers, Chief Ron Tremblay, and The Hello Crows. We will be accepting donations to support the Kehkimin language school, and hope to see you and your family there!

MESSAGE FROM THE

HARVEST CHAIR

Ken Critchley

That special feeling in downtown Fredericton is back. September is here, when streets become gathering places, familiar venues take on new energy, and music finds its way into every corner of the city. It is our pleasure to welcome you to the 2026 Harvest Music Festival, on the banks of the Wolastoq, within the traditional territory of the Wolastoqiyik, where Harvest has created magical experiences for over three decades.

New memories will be created this year. For some it will be when they finally witness Barenaked Ladies, The Beaches, or Young The Giant live for the very first time, while others may seek to reacquaint themselves with longtime favourites like JJ Gray & Mofro or Eddie 9V.

Beyond the ticketed performances, the streets will be filled with free music, buskers, food vendors, artisans, and activities for all ages. Please accept our invitation to explore downtown Fredericton, support local, Canadian businesses, and enjoy as much of the week as you can.

We're proud to continue our Blues in Schools program, helping local students access music and be inspired. Through your support we have helped raise thousands of dollars for instruments in schools in the Fredericton area. By opening those doors, we hope to inspire the artists who will shape Harvest's future.

This festival is made possible by our dedicated staff, generous volunteers, valued partners, talented artists, and you - the electric Harvesters.

On behalf of the Board of Directors and staff, thank you to everyone contributing to the 2026 Harvest Music Festival. The stages are ready, the city is waiting, and the music is about to begin.

Let's make it a week to remember.

thank you for supporting

A powerhouse seven-piece Southern soul, roots rock outfit from Toronto, Canada. Bywater Call's music is an exploration of life's highs and lows. From intimate ballads that lay bare the complexities of human emotion to electrifying anthems that demand to be played at full volume, their catalogue is a journey through human experience.

MATT ANDERSEN

WED 9:30PM

When Matt Andersen steps on stage, he brings a lifetime of music to every note he plays. His latest album, *The Hammer & The Rose*, is a veritable garden of heart; a (mostly) delicate collection of tender folk and stirring soul numbers that find the New Brunswick-born songwriter thoughtfully tending to the most important things in life. Andersen's stage presence is informed by decades of cutting his teeth in dusty clubs, dim-lit bars, and grand theatres all over the world, delivering moving performances that run the gamut from intimate to wall shaking.

EDDIE 9V

THURS 6:00PM

With a sound steeped in Southern soul, blues, and vintage rock and roll, Eddie 9V has become one of the most exciting young artists in the roots music world. His 2024 album *Saratoga* sparked major growth — earning SiriusXM spins, national buzz, and skyrocketing his Spotify audience. Now signed to Dan Auerbach's Easy Eye Sound, he's preparing for a new record and bringing his electrifying live show to bigger stages every month.

SIERRA HULL

THURS 8:30PM

Sierra Hull is widely regarded to be a master of her instrument as a two-time Grammy Nominated artist and a pioneer of acoustic music. Their latest album, *Be Right Here*, draws inspiration from Southern rock, blues-leaning classic rock and rootsy vintage country. It is full of vivid and relatable characters, making songs resemble rich short stories. For Blackberry Smoke, embracing the light and finding the silver lining are at the heart of what they do best.

WAYLON NAPADOGAN

AFTERPARTY: THURS 12:00AM

Fredericton's own outlaw king, Waylon Napadogan, is serving up a rowdy, tongue-in-cheek "New Brunswick Country" that is the only acceptable way to cap off a night of world-class rock and roll. With his signature wit, infectious energy, and a local cult following that knows how to turn any venue into a floor-stomping kitchen party, he is sure to keep the night going for the Blackberry Smoke Afterparty.

DRIVE-BY TRUCKERS

FRI 5:30PM

Since their inception in 1996, Drive-By Truckers have carved out a unique niche in the music scene with their raw, unflinching storytelling, heavy-hitting guitar riffs, and blend of Alternative and Southern rock. They have released 14 studio albums and played more than 2,500 shows in the last three decades. As they continue to push boundaries and explore new musical territories, Drive-By Truckers remain a vital and dynamic force in the rock genre, celebrated for their powerful narratives and unwavering dedication to their craft.

THE STRUMBELLAS

FRI 8:00PM

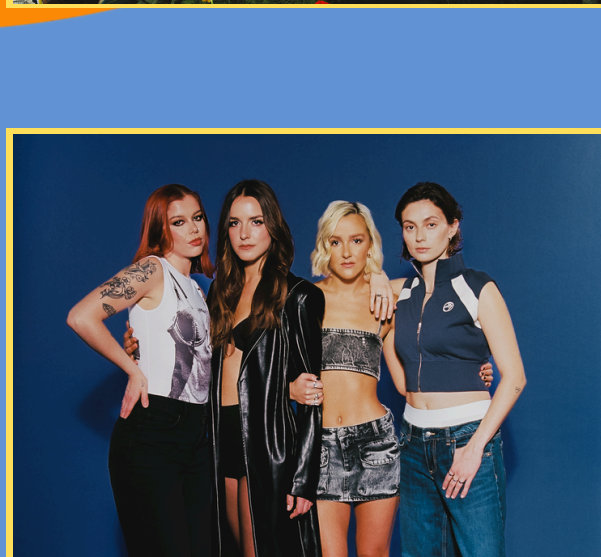

The Strumbellas know that misery loves company, and that if we're together, even in dark times, there's some joy in that. Determined to use every tool in their arsenal to write a good song, The Strumbellas started looking inward: random song titles, non-sequitur ideas, scraps of paper, and voice memos of half-sung melodies came from everyone in the band, giving a new take on their iconic mix of intimate feelings with stadium folk sounds.

YOUNG THE GIANT

FRI 9:30PM

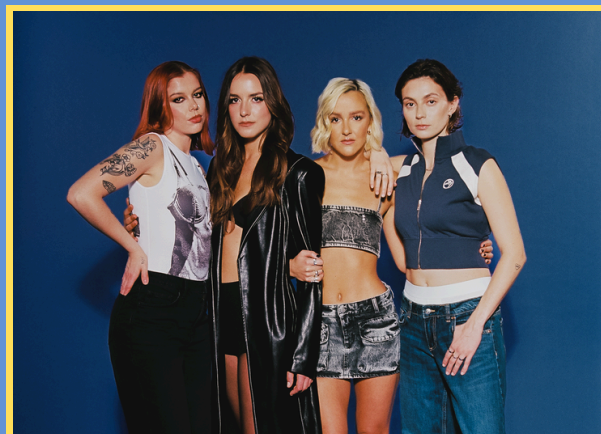

Over the past fifteen years, the multi-platinum SoCal band has flourished through distinct sonic eras, progressively solidifying itself as one of the most consistent and influential rock bands of the 21st century. Their sixth full-length album, *Victory Garden*, is rooted in radical empathy, showcasing the band's songwriting instincts at its most immediate and heartfelt. It showcases the seasoned artists' collective performances at their intuitive height. The result is a prolific record that beckons a new season of creativity for the band and presents Young the Giant as confident, refined, and fully inhabiting its voice.

THE BEACHES

FRI 11:30PM

After more than a decade together as a band, The Beaches are doing everything their way. The 5x Juno Award-winning Toronto band channels heartbreak into self-discovery through exuberant songs that revel in pain and redemption. Their new album *No Hard Feelings* is set to solidify the group as one of the driving forces of alt-rock today. Exploring the highs of nights out and lows of losing someone you love, *No Hard Feelings* is rife with the band's signature witty lyricism, grungy tones, and unapologetic boldness.

GRAHAM NASH

SAT 5:00PM

Graham Nash, as a founding member of both The Hollies and Crosby, Stills and Nash, is a two-time Rock and Roll Hall of Fame inductee who has seen rock history unfold from the launch of the British Invasion to the birth of the Laurel Canyon movement and beyond. Over the course of 37 years, the beloved quartet has sold over 15 MILLION records worldwide and built up an arsenal of hits such as “If I Had \$1,000,000,” “One Week,” “Pinch Me,” and “The Big Bang Theory Theme.” Widely acknowledged as one of the best live acts on the planet, BNL has hosted a cruise, had their own Ben & Jerry’s ice cream flavour, and participated in the first-ever “space-to-earth musical collaboration” with astronaut Chris Hadfield. To date, BNL has amassed eight JUNO Awards, garnered two GRAMMY nominations, and have been inducted into the Canadian Music Hall of Fame.

JJ GREY & MOFRO

BLUES IN THE SCHOOLS

Each year, a **portion of Harvest Music Festival's profits goes toward our Music in the Schools charitable initiative**, which supports music education in elementary, middle, and high schools.

For 23 years, Harvest has brought the Blues in the Schools program to schools across our region and this year we're expanding it to give students an even richer cultural experience! With support from the Fredericton Community Foundation and UNB, this remarkable program places our festival performers and clinicians on stages throughout local schools during Harvest Week to perform and educate students about the history and cultural significance behind the music.

This year, NS songwriter **Joe H. Henry**, PEI musician **Joce Reyome** and NB favourite **Kylie Fox** will share their musical talents and experiences with students in Fredericton area schools. They will offer a firsthand look at the **creativity, passion, and personal expression** that make music such a powerful force for connection.

Your tips at the bar go directly towards funding our Blues in the Schools program.
